Phuket Sightseeing daytrip

FREE. SELF-PACED. OWN TRANSPORT. 4-8 HOURS

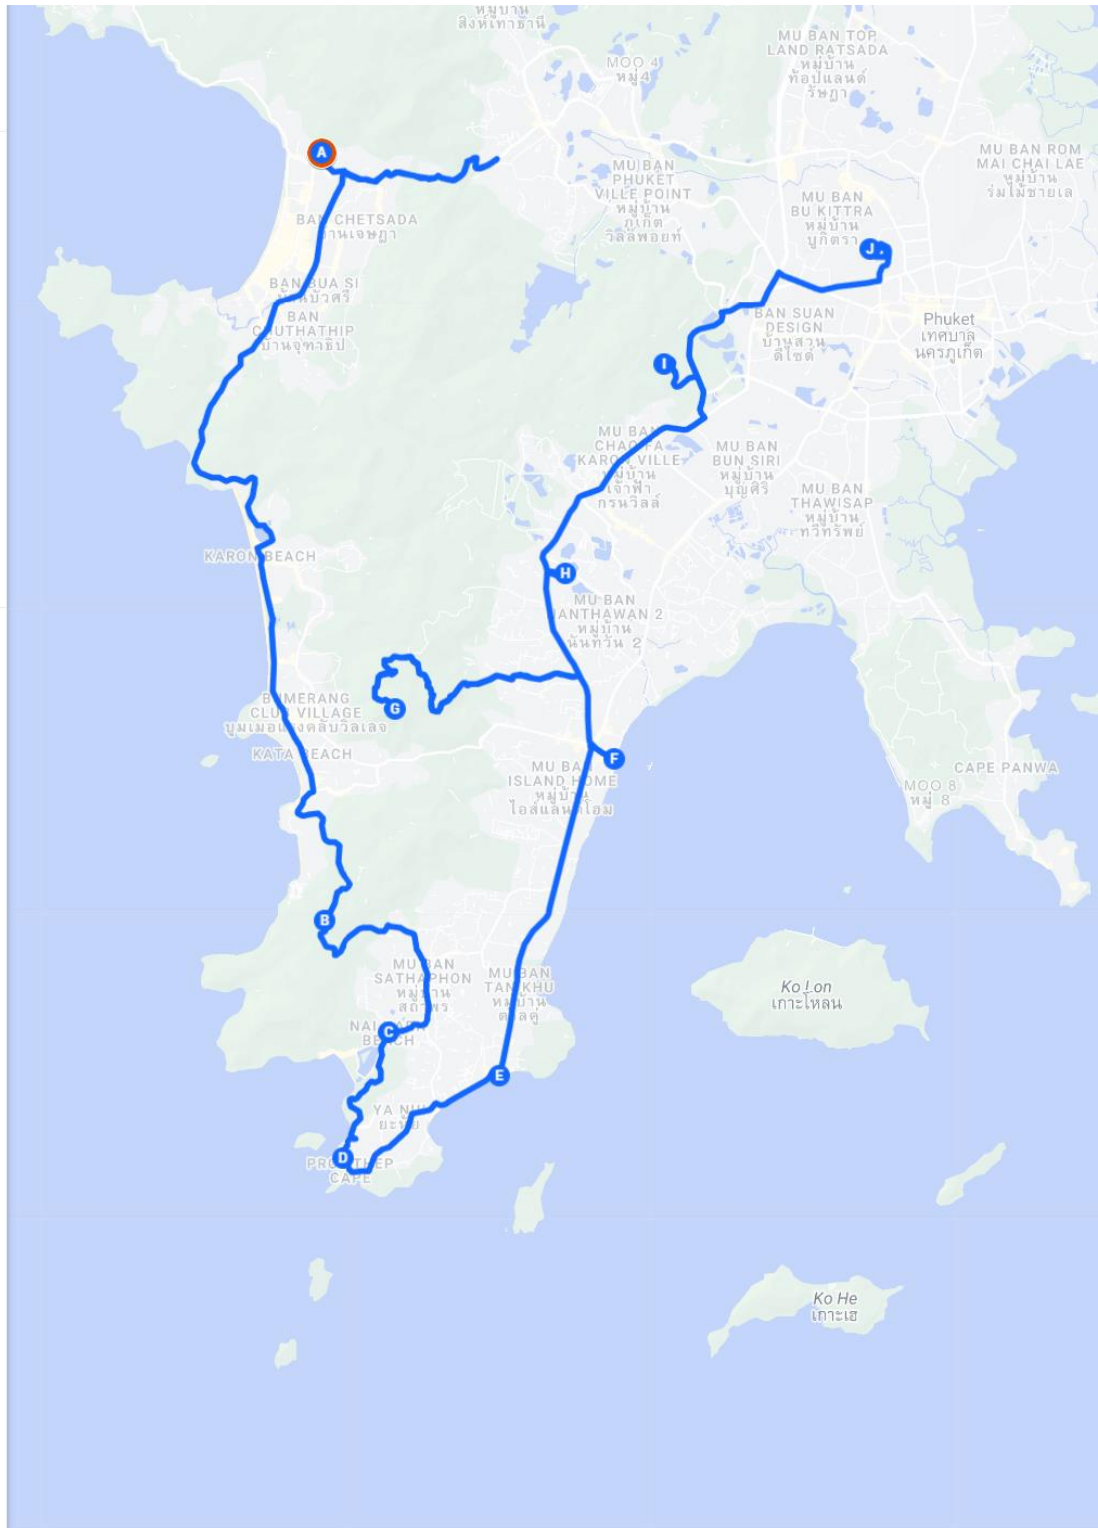

The Phuket sightseeing trip we suggest is a self-paced circle trip on the southern part of the island, and going counter clockwise. Depending on how long you stop each place, it will take 4-8 hours. There is no entrance fee for any of the attractions.

The highlights are Laem Promthep and Windmill viewpoint, Big Buddha and Wild monkeys at Rang hill (4-6pm).

If you make it a full day trip, you have time to swim at Nai Harn beach and stop for coffee at Three monkeys.

If you make it 10 hour trip you can also stop for dinner at good local restaurants in Kathu – or do gokart or BB Gun (also in Kathu).
